

LITTLE CHUTE AUTHORIZED DEER CULLING

The Village of Little Chute through the Village Board have determined that bow hunting will be authorized within Heesakker Park and on Electric Island (*see map on back*) to remove deer. The authorized deer culling will be for antlerless deer & antlered deer. This year's culling will be from Monday, December 5, to Sunday, December 18, 2016.

APPLICATION

This Deer Culling Packet contains all the paperwork you need to apply for the 2016 Deer Culling (*deer culling information sheet, map of area, application form, and shooting proficiency test form*). Deer Culling Packets can be downloaded from www.littlechutewi.org/parks or can be picked up from the Little Chute Park & Rec Dept located on the 2nd floor of Village Hall at 108 W. Main Street in Little Chute (*office hours are weekday from 8:00 a.m. to 4:30 p.m.*). To be placed in the lottery draw to participate in the 2016 Deer Culling, you need to return (*in person*) the 2016 Application, 2016 Shooting Proficiency Test (*if you passed test in 2014 you do not need to retest this year*), and other required information **by Wednesday, October 19, 2016**. Information will only be accepted in-person; no faxes permitted. Questions regarding the deer culling can be answered by calling the Park & Rec Dept at 423-3869.

REQUIREMENTS

Applicant must be a Little Chute resident/taxpayer age 18 or older (*proof required; bring driver's license, utility bill, or tax bill with you when paperwork is turned in*).

Applicant must successfully pass a shooting proficiency test. Hunter will have only two tries to qualify – 2 out of 3 arrows in a 6 inch circle at 20 yards. The proficiency test will be conducted at the Combined Locks Civic Center Archery Area. The enclosed test sheet, which you take to the testing, contains all the information. Proficiency tests are valid for three years. If you passed in 2014, have our staff verify the test date when you turn in your application.

Applicant must have a 2016 Wisconsin DNR Archery License (*proof required; bring paper copy of archery license printout provided to you at purchase time so we can make a copy of the license*).

Applicants selected for the deer culling must pass a background check, which will be conducted by Fox Valley Metro Police Department. (*Applicants not selected for this deer culling who paid \$7 cash for their background check will be contacted to arrange pick up of their money; payments made with a check will be voided and shred.*)

QUALIFIED HUNTERS

Once a hunter has passed the proficiency test and turned in their application and required paperwork, they will be placed on the authorized list to hunt. From this list, hunters will be selected by lottery (*seven selected for each week of the deer culling from 12/5 to 12/18*) to hunt for a 1-week period within the approved deer culling area (*see map on back*).

POLICIES, RULES & REGULATIONS

Authorized Deer Culling – Village of Little Chute

Policies, rules & regulations are designed to ensure the safety of residents and others in areas being hunted and maximize the projected harvests. Failure to comply with any of these will result in the immediate revocation of hunting authorization and exclusion from future participation in this program.

- When hunting, each participant shall carry a Village of Little Chute Bow Hunting Authorization Letter, current Wisconsin Driver's License, and Hunting Tags.
- When hunting on the property, each vehicle shall display an authorization letter of the individuals participating.
- Parking shall be permitted only on village streets.
- Approved hunters will be authorized to cull either a buck or a doe depending upon the tags that the hunter possesses (may cull multiple deer). Hunters shall immediately report when they have culled any and all deer by calling the Little Chute Park & Rec Director at 423-3868.
- According to 2016 DNR regulations, there is a statewide antlerless hunt from Dec. 8 to Dec. 11. Hunters during this period are only allowed to cull does on those days.

Each Participant Shall:

- Abide by provisions outlined in the Hunting Authorization and hunt only the assigned site during the dates designated in their authorization letter.
- Follow all state statute and DNR regulations pertaining to bow hunting. Baiting will be allowed if the DNR permits it in this section.
- Be liable for your own acts and omissions.
- Act courteously and respectfully while on the property.
- If verbally assaulted, avoid engaging in an argument or becoming abusive. Under such circumstances, leave the area immediately and, if deemed appropriate, call the police. As soon as practicable, report the incident to the Park & Rec Director at 423-3868.
- When on the property, protect foliage, crops and plants from damage, alteration or destruction. You may NOT trim tree branches in order to install your hunting stand.
- Not remove or cut underbrush (i.e. shooting lanes, clearance, etc.).
- Not use an ATV or motorized vehicle on the property.
- When entering or exiting the woods, keep bow encased except when in your stand. Bow must be encased if engaged in tracking a wounded animal.
- When entering or exiting the woods in the dark, use a flashlight or other illuminating device.

- Hunt only from an elevated tree stand placed a minimum of 12 feet above the base of the tree in which the stand is placed. No ground hunting or shooting from the ground.
- Wear a safety harness at all times while hunting from a tree stand.
- Use only temporary, removable tree stands. Remove stand at the end of each day.
- Use a climbing stand of a type that will not damage the tree.
- Remove climbing aids such as stick ladders and tie-on tree steps from the tree after use when using portable "hang-on" tree stands.
- Maintain your equipment in top condition at all times. Be sure your equipment is tuned and set up properly.
- Hunt a minimum of 300 feet (100 yards) from roads and any private property.
- Not discharge or project an arrow at such an angle or distance as to land on public or private property not described in the permit.
- Not discharge or project an arrow or other object onto or over any hiking trail or bicycle trail within the designated hunting area.
- Track a wounded animal until found. If the animal moves off the assigned property, attempt to obtain permission to trespass for tracking purposes. If unable to obtain permission, notify the game warden immediately. As soon as practicable, report the incident to the Park & Rec Director at 423-3868.
- If unable to locate a wounded animal, notify the Park & Rec Director at 423-3868.
- If wounded animal moves to or dies in a conspicuous area, such as a field, trail, or roadway, remove the animal from the area and if a problem arises, contact the Park & Rec Director at 423-3868.
- Unless otherwise directed, field dress animals in the woods, at least 100 yards away from buildings, roads, or other places where non-hunters travel frequently, and 50 yards from wood chipped trails.
- Cover harvested animals with a tarp while dragging in the field out of respect for the non-hunting public and other park users.
- Follow all DNR requirements for registering deer.
- Account for all arrows used. Report the circumstances of missing or unrecovered arrows on the hunting log sheet.
- Keep an accurate, up-to-date log of times spent in the field to include: date, game harvested, time of harvest, and hunt location. At the end of your hunting period, promptly turn in the log to the Park & Rec Dept for compilation of statistics.
