OFFICE OF THE OUTAGAMIE COUNTY CLERK  
TO THE VOTERS OF OUTAGAMIE COUNTY AND PARTS  
OF CALUMET (VILLAGE OF HARRISON AND CITY OF  
APPLETON) AND WINNEBAGO (CITY OF APPLETON)  
COUNTIES :

(Note: City of New London publishes separately – County information is listed in this Notice.)

Notice is hereby given of a general election to be held in Outagamie, a portion of Calumet (Village of Harrison and City of Appleton) and Winnebago (City of Appleton) Counties, on November 8, 2016, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office and under the appropriate party or other designation, each in its proper column, together with the questions submitted to a vote, in the sample ballot below.

#### INFORMATION TO VOTERS

Upon entering the polling place, a voter shall state his or her name and address, show an acceptable form of photo identification and sign the poll book before being permitted to vote. If a voter is not registered to vote, a voter may register to vote at the polling place serving his or her residence if the voter provides proof of residence. Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the voter shall retire alone to a voting booth or machine and cast his or her ballot except that a voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward. An election official may inform the voter of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

#### Voting for President and Vice President

A vote for candidates for President and Vice President is a vote for the presidential electors of those candidates. A write-in vote for President and Vice President must designate the name of a presidential candidate. A write-in vote for a candidate for President only will be counted. A write-in vote for a candidate for Vice President only will not be counted.

#### Where Paper Ballots or Optical Scan Ballots are Used

The voter shall fill in the oval or connect the arrow next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of his or her choice in the space provided for a write-in vote, and fill in the oval or connect the arrow next to the write-in line. When voting for President and Vice President, the voter shall fill in the oval or connect the arrow next to the set of candidates (ticket) for president and vice president for whom he or she intends to vote. To vote for a Presidential ticket that does not appear on the ballot, the voter shall write in the names of persons of his or her choice in the spaces provided and fill in the oval or connect the arrow next to the write-in lines. On referendum questions, the voter shall fill in the oval or connect the arrow next to "yes" if in favor of the question, or the voter shall fill in the oval or connect the arrow next to "no" if opposed to the question.

When using an *electronic ballot marking device* ("AutoMARK") to mark an **optical scan** ballot, the voter shall touch the screen at the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of his or her choice in the space provided for a write-in vote. When voting for President and Vice President, the voter shall touch

the screen at the set of candidates (ticket) for president and vice president for whom he or she intends to vote. To vote for a Presidential ticket that does not appear on the ballot, the voter shall type in the names of persons of his or her choice in the spaces provided. On referendum questions, the voter shall touch the screen at "yes" if in favor of the question, or the voter shall touch the screen at "no" if opposed to the question.

#### Where Touch Screen Voting is Used

The voter shall touch the screen at the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of his or her choice in the space provided for a write-in vote. When voting for President and Vice President, the voter shall touch the screen at the set of candidates (ticket) for president and vice president for whom he or she intends to vote. To vote for a Presidential ticket that does not appear on the ballot, the voter shall type in the names of persons of his or her choice in the spaces provided. On referendum questions, the voter shall touch the screen at "yes" if in favor of the question or the voter shall touch the screen next to "no" if opposed to the question.

The vote should not be cast in any other manner. Not more than five minutes' time shall be allowed inside a voting booth. Sample ballots or other materials to assist the voter in marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

If a voter spoils a **paper or optical scan** ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official who shall issue a proper ballot in its place.

The voter may spoil a **touch screen** ballot at the voting station before the ballot is cast.

#### After Voting the Ballot

After an official **paper** ballot is marked, it shall be folded so that the inside marks do not show, but so the printed endorsements and inspectors' initials on the outside do show. The voter shall then deposit his or her folded ballot in the proper ballot box or deliver the ballot to an inspector for deposit, and leave the polling place promptly.

After an official **optical scan** ballot is marked, it shall be inserted in the security sleeve so the marks do not show. The voter shall then insert the ballot in the voting device and discard the sleeve, or deliver the ballot to an inspector for deposit. The voter shall leave the polling place promptly.

After an official **touch screen** ballot is cast, the voter shall leave the polling place promptly.

A voter may select an individual to assist in casting his or her vote if the voter declares to the presiding official that he or she is unable to read, has difficulty reading, writing, or understanding English, or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter.

The following is a sample of the official ballot:

## Tips for Marking Your Ballot

### 1) Read the ballot instructions

If you aren't sure what something means or you have other questions, be sure to ask an election inspector (poll worker) for assistance.

### 2) Use the pencil or marking pen provided.

Optical scanners have a sensor that reads your ballot and records your votes. The sensor is able to read your ballot by detecting a mineral, usually carbon, left by the writing instrument you used to mark your ballot. Using the pencil or marking pen provided will ensure the scanner will read your ballot correctly.

### 3) You may vote for only one candidate in each office.

With the exception of the office of President & Vice President, you may choose only one candidate or write in one candidate for each office. Each office will also offer the opportunity to write in a candidate rather than voting for a ballot candidate.

### 4) Review your choices carefully.

Each candidate in each office will have an arrow, oval or square next to their name. Each office will also offer the opportunity to write in a candidate rather than voting for a ballot candidate. Properly indicating the candidate of your choice will ensure vote is counted as intended.

### 5) Mark your ballot so that there is no doubt about your choices.

Depending on where you live in Wisconsin, your ballot may instruct you to "make an X in the square," "fill in the oval" or "connect the arrow." Whichever the method, always make your selection obvious.

When writing in a candidate, write the name legibly.

If you make a mistake, do not try to erase the error. Ask the inspectors for a replacement ballot. (You may receive only receive 2 replacement ballots.)

### 6) Pay attention to the navigational cues at the bottom of each column ("Continue voting at top of next column") and instructions to "Turn the ballot over to continue voting."

### 7) Review your ballot before placing it in the optical scanner or ballot box.

Make sure you have voted in all offices and for all referenda you want to, and that your choices reflect your intent.

The wisconsin Election Commission and your local election officials want your ballot to count and your voting experience to be pleasant.

**If you have any questions or encounter any difficulties, please speak to an election inspector (poll worker) at your polling place.**

# REGISTER TO VOTE

# Voter Registration

If you have never registered to vote or have to re-register:

Voter Registration is required if you are a new Wisconsin voter or have a name change or address change. For more information, visit the website: <http://myvote.wi.gov> or contact your municipal clerk (see page 8.)

## WHAT DO I NEED TO BRING TO REGISTER TO VOTE?

Bring these with you to register:

- If you have been issued a State of Wisconsin Driver License or ID card that is current and valid, you must provide the number and expiration date. If your WI driver license is cancelled or expired; or your WI DOT-issued ID is expired, provide the number and the last 4 digits of your Social Security number. If you have not been issued a WI driver license or WI DOT-issued ID, you must provide the last 4 digits of your Social Security number. If you have none of these documents, you will be able to indicate that fact.
- You must provide a Proof of

**Residence Document** when registering to vote in Wisconsin. A Proof of Residence Document is a document that proves where you live in Wisconsin. Please see the Proof of Residence handout for a list of acceptable documents.

## IS THERE ANYTHING ELSE I NEED TO KNOW ABOUT REGISTRATION?

- **Photo ID is never required when registering to vote.** However, a Proof of Residence document is always needed when registering to vote in Wisconsin.
- **Voters must reside at their address for at least 10 days by Election Day** in order to register to vote. Voters who have moved *within Wisconsin* less than

10 days before the election must vote from their previous address, either by absentee ballot or at the polling place. Voters who have moved to Wisconsin from another state less than 10 days before an election are only eligible to vote in Presidential elections.

- **Wisconsin law no longer allows a “corroborating witness”** to provide Proof of Residence. See the “Proof of Residence” documents for a list of Proof of Residence documents.
- You cannot register the Saturday, Sunday, or Monday before an election, but you can register at the polling place on Election Day.

These documents constitute proof of residence if they contain the voter's current and complete first and last name and residential address, and are valid on the day used to register to vote.

Electronic versions are also acceptable

- A WI Driver License/ID Card, if not expired or cancelled; may be used even if driving privileges have been revoked
- Any other official identification card or license issued by a Wisconsin governmental body or unit
- An employee ID card with a photograph, but not a business card
- A real property tax bill or receipt for the current year or the year preceding the date of the election
- A residential lease (Does not count as proof of residence if elector submits form by mail)
- A picture ID from a university, college or technical college coupled with a fee receipt or an on-campus housing listing provided by the university, college or technical college
- A utility bill for the period commencing not earlier than 90 days before the day registration is made
- (Homeless voters only) A letter from an organization that provides services to the homeless that identifies the voter and describes the location designated as the person's residence for voting purposes
- A contract/intake document prepared by a residential care facility indicating that the occupant resides in the facility
- A bank statement • A paycheck • A check or other document issued by a unit of government

### DO I NEED A SPECIAL VOTER ID CARD?

There is not a separate "Voter ID" card. There are many forms of Photo ID, which you may already have, that can be used to vote.

Anyone with a valid Wisconsin driver license or Wisconsin state ID card, or any of the documents listed below, already has the photo ID they need for voting purposes.

### WHAT CAN I USE AS PHOTO ID TO VOTE?

The following photo IDs are acceptable for voting purposes, and can be unexpired or expired after the date of the most recent general election (currently, the November 4, 2014 election):

- A Wisconsin DOT-issued driver license, even if driving privileges are revoked or suspended
- A Wisconsin DOT-issued identification card
- Military ID card issued by the U.S. Uniformed Services

- A photo identification card issued by a Wisconsin accredited university or college, or technical college that contains the following:

- Date the card was issued
- Signature of student
- Expiration date no later than two years after date of issuance
- The university or college ID

must be accompanied by a separate document that proves enrollment, such as a tuition fee receipt, enrollment verification letter, or class schedule

### WHAT WILL THE POLL WORKER BE LOOKING AT ON MY PHOTO ID?

- Elector's Photograph

The photograph must reasonably resemble the elector

- Elector's Name

The elector's name must conform to the name on their voter registration; conform does not mean that the name must be identical to the name on the voter registration

- An Expiration

If the ID has an expiration date, it must meet the expiration requirements listed above

An acceptable Photo ID for voting does not have to include a current address.

for voting purposes :

- A State of Wisconsin, DOT issued, identification card without a photo, issued to those electors with a religious objection to being photographed

### IS THERE ANYONE WHO DOES NOT NEED TO PROVIDE A PHOTO ID?

Yes. The following electors do NOT need to provide a Photo ID:

WISCONSIN  
DRIVER LICENSE

## SPEAK UP. BUT FIRST, SAY CHEESE.

Most people already have the photo ID they need to vote in the next election. If you don't, get a Wisconsin state ID card for free at your nearby Division of Motor Vehicles. You just need a few papers, like a certified birth certificate, Social Security card and a utility bill. If you don't have a birth certificate, or other documents, the DMV can still help you get a free ID for voting. There are several different documents you can use. So get your free ID today and remember to bring it when you vote.
