## READING AND USING THIS DOCUMENT

We hope this report provides you with useful information about the Fox Valley Metro Police Department. While we feel this report represents an accurate and balanced depiction of our activities and services for the year 2024, it cannot be all inclusive.

In line with taking advantage of current technology, we are including in this report links to external information sources that may provide you with more information about certain topics or areas of the department.

Throughout this document you may notice objects like the one below. These are called “QR Codes”. A **Quick Response Code** is the trademark for a type of matrix barcode (or two-dimensional barcode) first designed in 1994 for the automotive industry in Japan. A barcode is a machine-readable optical label that contains information about the item to which it is attached.

Source: [https://en.wikipedia.org/wiki/QR\\_code](https://en.wikipedia.org/wiki/QR_code)

By scanning these codes with your smart phone’s/tablet’s camera, it will take you to the web page that is related to the content of a particular page in this document. Most camera apps will do this automatically. You may have to download a separate app though – depending on your device’s operating system. You can scan the code right from a video screen or from a printed copy as well.

## FOX VALLEY METRO POLICE COMMISSION

**Commission President:** *Scott Schommer (Little Chute)*

**Commissioners:** *Paul Cooney (Little Chute) Fall 2024*

*Carl Rambo (Little Chute)*

*Mark Williamson (Kimberly)*

*Bruce Siebers (Kimberly) Fall 2024*

*Sue Brown (Kimberly)*

The police commission is the civilian oversight authority of a police department. Wisconsin statute 62.13 provides for the creation of a police commission and defines their duties and powers. The commission has authority over hiring, firing, discipline and promotions of sworn personnel within the police department. Some municipalities have a joint, police *and* fire commission. We have a separate police commission because Metro represents two villages. Each village has its own fire commission. Each village is represented with an equal number of commissioners (three).

Wis. § 62.13: <https://docs.legis.wisconsin.gov/statutes/statutes/62/1/13>

ORGANIZATIONAL CHART

## WELCOME

We strive to enhance the quality of life in the community by proactively patrolling in an effort to detect problems that can have a negative impact on the quality of life in the community. By way of problem solving and community partnerships, we collaborate to identify solutions to issues that can have a negative impact on public safety.

Around 1829, Sir Robert Peel (considered the founder of modern-day, community-oriented policing) identified nine principles that he felt were critical to effective law enforcement in a community. His seventh principle states:

*"Police, at all times, should maintain a relationship with the public that gives reality to the historic tradition that the police are the public and the public are the police; the police being only members of the public who are paid to give full-time attention to duties which are incumbent on every citizen in the interests of community welfare and existence."*

To us, this means that we are partners in public safety. We, as officers of the law, must work collaboratively with the public to be effective and respected. 189 years later, this principle is still relevant and critical to successful community policing.

So, as we continue to improve our partnership with the community, please take the time to stop at one of our community programs/events and speak with us. We appreciate getting to know members of the community and letting you know a little bit more about who we are and what we do. If you can't make it to an event, feel free to call us or stop in at the police department.

<http://www.fvmpd.org/81/Police-Department>

*Partnerships in Policing*  
DEPARTMENT OVERVIEW

The FVMPD is a full-time municipal law enforcement agency that is open and staffed 24 hours a day, all year long. Only our business office is closed on weekends and holidays. Patrol staff are always on duty. The primary mission of the department is to maintain law and order in the communities and respond to calls for service.

Our overall mission is that of ***Partnerships in Policing*** in which we work collaboratively with the public, community organizations and other departments.

Our guiding principles are **Compassion, Integrity and Professionalism** when working with the public and each other.

The Fox Valley Metro Police Department is a joint, multi-municipal law enforcement agency that provides municipal law enforcement services to the villages of Little Chute and Kimberly WI. It is estimated that the department serves a combined, resident population of approximately 20,000 people.

Both villages have a combined area of approximately 10 square miles. The villages also have county and state highways that pass through them. Additionally, the department is responsible for patrolling and responding to calls for service on portions of U.S. Interstate Highways 41 and 441.

The department receives close to 20,000 calls for service per year. Of that number, we respond to, investigate, and/or file reports on about 14,000 of those calls.

By way of the annual budget, the department is authorized 27, sworn personnel who have arrest/enforcement powers.

- 17 of those sworn positions are assigned to the patrol division.
- Three are assigned to the Little Chute and Kimberly School districts.
- Two are assigned as investigators (detectives).
- The remaining five are supervisory/management positions.

Additionally, the department is authorized for the following support positions:

- Three clerical/admin positions
- Three Community Service Officers (CSO's)
- 10, adult school crossing guards

## *Partnerships in Policing*

The department operates and maintains a fleet of 15 vehicles.

Patrol has 12, marked vehicles – a combination of SUV's & Sedans

Administration and investigations typically use unmarked vehicles.

Patrol vehicles average about 30,000 to 33,000 miles per year.

The department uses a multitude of different Information technology (IT) systems for a variety of investigative, operational, and administrative functions. Some of those systems are used for:

- Records & Incident reporting
- Property and evidence management
- Payroll & scheduling
- Computer Aided Dispatching (CAD) access
- Body worn and fleet camera systems
- Policy and training

We also have a social media presence via our Facebook page.

## Partnerships in Policing

### BUDGET

The police department is the only village department that is open and staffed 24 hours a day, every day of the year. We also employ the greatest number of employees compared with the other village departments.

In 2024, the department was authorized a budget of \$4,305,920. That amount is up 7.23% from 2023 or an increase of \$290,488. About 84% of that is allocated for employee wages and benefits. The rest of the budget is allocated to items such as:

- Fleet purchase, repairs, maintenance, and fuel
- Training
- Information Technology systems (IT)
- Equipment repair and maintenance
- Contractual services
- Facility maintenance and repairs
- Uniforms and duty equipment
- Firearms and ammunition
- Computers and office equipment/supplies

Of the 27 sworn officers in the department, 22 are classified as represented employees – members of the Fox Valley Metro Professional Police Association. The villages and officers' union operate on labor agreement. Part of the labor agreement specifies the wages for the represented officers.

The funding for the department's budget is shared between the Villages of Little Chute and Kimberly using a cost formula based on each village's population. For 2024, the cost sharing formula was as follows:

Little Chute: 61.82%

Kimberly: 38.18%

(2024 Village of Little Chute Adopted Budget Document)

## OFFICE OF THE CHIEF

Daniel M. Meister  
Chief of Police

### ***Mission First, People Always...***

2024 was a year of staff changes and implementing new projects. Our department updated our mobile devices by purchasing new cell phones and wireless access points for the fleet. Communications are paramount to what we do. We need access to real time data and the ability to access multiple criminal justice / law enforcement database systems.

With our patrol division being the most critical component of our organization, the patrol officers often find themselves working out of their squad cars. The patrol vehicles are equipped with mobile data computers that assist the officers in their daily routines. They use these computers to access calls for service and computer aided dispatching, conducting informational queries related to vehicle registration, driver license information and individual criminal history data. These devices access these systems wirelessly using cellular technology. We upgraded our connection capability from LTE to 5G technology in 2024. This allows for faster connection speeds and a broader data amount handling capability. We also upgraded our cell phones to 5G capability.

## Partnerships in Policing

5g vs. LTE Explained

## Drone Team (New)

In 2024 the department was able to acquire a Drone (Unmanned Aerial Vehicle) through a generous donation from the Great Wisconsin Cheese Festival Board. The drone team consists of patrol officers and supervisors who are FAA Part 107 certified sUAS pilots. The drone is used to support patrol activities such as:

- Search & rescue operations
- Search warrant and tactical operations support
- K-9 tracking support
- Crash and crime scene mapping and photography
- 

## Partnerships in Policing

The drone is a DJI M30T. In addition to the regular HD digital video camera, it has thermal imaging capabilities. The drone also has a speaker for giving verbal instructions, warnings and alerts. Feel free to use the QR code below to go to DJI's website.

<https://enterprise.dji.com/matrice-30>

While technology and modern equipment certainly assist us in doing our job, it is not everything. It is people who do the work. People need to make decisions as to how to use technology and equipment. Our people are our most important resources!

We seek to hire and retain high quality people who not only embrace our core principles of *Compassion, Integrity, and Professionalism*, but people who have a high level of trustworthiness and sound decision-making skills. We often have discretion in how we handle calls for service and in taking enforcement action on something. We hire people who can make these decisions legally and ethically. We then train them and trust them to do their job. The technology and equipment that we use supplements the humanistic part of the job. Resources often make the work safer and more efficient but it's the human element of the job that is more critical.

Officer Steven Jacobson has his badge pinned on by family after graduating from the law enforcement academy at FVTC in May.

Eventually, some of our staff achieve a significant milestone in their careers and make the decision to retire from public service. This was the case in 2024 with Lieutenant Mark Ulman and Police Clerk Fran Diedrick retiring in the beginning of May.

Clerk Diedrick served with Metro for 18 years.

Lt. Ulman's 25 years of service was recognized in several ways including a presentation of a State of Wisconsin Citation by the Assembly for service by Rep. Joy Goeben.

Lieutenant Mark Ulman and Clerk Fran Diedrick retired in May.

With Lt. Ulman’s retirement, the department had an internal promotional process and Officer Michael Gostisha was selected and promoted to the rank of Lieutenant.

Our Administrative Division saw some new faces in 2024 as well. With Clerk Diedrick’s retirement we hired a new clerk. Sarah Lenz joined our department in June. Administrative Manager Vanden Heuvel resigned in February, and we hired Meghan Krause for that position.

Meghan Krause

Sarah Lenz

## ADMINISTRATION BUREAU

Meghan Krause  
Administrative Manager

The Administrative Bureau oversees the Clerical Division and Community Support Division.

### **CLERICAL DIVISION**

The Clerical Division is staffed by two police clerks.

The Clerical Division is responsible for the following:

- Greeting customers
- Answering phone calls
- Records management
- Open Records requests
- Court Services
- Uniform Crime Reporting
- Supply management
- Property Control

The Outagamie County Sheriff's Office is the primary dispatching center for our department. However, our police clerks answer roughly 7,000 phone calls per year. They range from routine, informational requests to non-emergency calls for service to emergency situations. The majority of calls for service that require an officer to respond would most likely be transferred to the Outagamie County Sheriff's dispatch center.

Our department also receives between 600 to 800 open records requests each year. These range from simple requests for copies of official reports to requests for copies of digital media such as audio recordings and video footage.

Police Clerk Diedrick & Police Clerk Armbruster

## COMMUNITY SUPPORT DIVISION

The Community Support Division (CSD) is jointly managed by the Captain and Administrative Manager. The CSD manages community events, and the adult school crossing guards for the Little Chute and Kimberly School Districts.

Jeremy Slotke  
Captain of Police

## OPERATIONS BUREAU

The Operations Bureau consists of three divisions:

- Patrol Division
- Patrol Support Division
- Training & Development Division

### **Patrol Division**

The Patrol Division is the backbone of the police department. Patrol officers respond to calls for service and proactively patrol the community to detect and deter problems. The Patrol Division is led by three Police Lieutenants who each command a shift of patrol officers. In addition to their basic patrol duties, each lieutenant and patrol officer are also tasked with other ancillary duties. Some of those duties are:

- Training instructors
- Social media group
- Vehicle maintenance
- Community outreach
- Animal control
- Honor Guard Team
- Code compliance
- Nuisance abatement
- Child car seat installation
- Bicycle patrol
- New officer field training
- Awards review committee

## PATROL — DAY SHIFT

The 2024 Fox Valley Metro Police Department Day Shift consisted of five patrol officers and one patrol lieutenant.

Lieutenant Mark Ulman (Retired May)

Lt. Mark Wery

The day shift routinely responds to domestic disturbances, medical calls, fraud/scams complaints, numerous 911 misdials, vehicle lockouts, motor vehicle crashes, and performs traffic enforcement activities.

Day shift officers often work in conjunction with the Department's Investigations Unit. They assist with the abatement process, the service of search warrants, and investigations.

Additionally, the day shift officers direct their efforts toward numerous community oriented and crime prevention efforts:

- ✧ Performing physical security checks on businesses in the industrial parks and downtown.
- ✧ Performing directed patrols in the school zones while students are arriving for school.
- ✧ Performing additional patrols in specific locations based on extra patrol requests from citizens.
- ✧ Performing foot patrols in parks, the YMCA, and locations where children are known to congregate.

Members of the day shift also serve roles as Outagamie County Multijurisdictional Emergency Response Team (ERT) members, Field Training Officers, Honor Guard members, Internet Crimes Against Children (ICAC) investigator, Certified Child Safety Seat Installer, Peer support team members, Vehicle Maintenance Coordinator, Bicycle Patrol Officers, and First-aid, CPR/AED Instructor.

Partnerships in Policing

## PATROL — AFTERNOON SHIFT

The 2024 Fox Valley Metro Police Department Afternoon Shift consisted of seven Patrol Officers and one Patrol Lieutenant.

Lieutenant Mark Wery (Assigned Day Shift in May)

Lieutenant Mike Gostisha

The FVMPD afternoon shift consists of six Patrol Officers, one police K9 and one Patrol Lieutenant.

In 2024 FVMPD officers assigned to afternoon shift responded to approximately 6000 calls for service and self-initiated field activities in our communities.

Goals for afternoon shift patrol include:

- School zone traffic enforcement
- Presence / crime prevention at parks, schools, and other high traffic areas in the community
- Drug interdiction on criminal traffic
- Providing extra patrol for areas experiencing an increase in crime
- Assisting Probation and Parole with conducting checks on individuals on supervision in the community

Members of the afternoon shift work closely with the department's investigations unit on major crimes and drug investigations. Members of the afternoon shift serve in additional specialized roles such as Emergency Response Team Members, Internet Crimes Against Children investigator, Field Training Officers, Honor Guard members, and Bicycle Patrol members. The afternoon shift has one certified Unmanned Aerial Vehicle Pilot for drone operations. In 2024, a member of the afternoon shift assisted in procuring grant funds to provide the department with essential safety equipment.

## PATROL — NIGHT SHIFT

The 2024 Fox Valley Metro Police Department Night Shift consisted of five patrol officers and one patrol lieutenant.

Lieutenant Edmund Slinde

The night shift strives to provide high quality service to the residents of Kimberly and Little Chute through quality response for service and self-initiated investigative activity.

The night shift officers focus on the following areas:

- Investigating drug related offenses/residences and drug interdiction through criminal traffic
- Visibility in the bars as a crime prevention method
- Address ordinance/alcohol related violations and probation/parole violations
- Investigate suspicious people or situations
- Traffic enforcement and OWI enforcement
- Parks patrol - Ordinance violations (In park after hours, parking, etc.)
- Community policing and problem-oriented policing efforts, including foot patrols at area hotels and businesses - Building security checks- identifying security concerns at both residential and commercial properties (open doors, poor lighting, etc.)
  - Providing extra patrol for areas/persons experiencing an increase in crime and/or fear of crime
  - Working with partner agencies such as Probation Parole to conduct checks on persons on supervision in the communities

Members of the night shift work closely with the department's investigations unit on major crimes and drug investigations. Members of the night shift serve additional specialized roles such as Emergency

### *Partnerships in Policing*

Response Team Members, Field Training Officers, Honor Guard members, Bicycle Patrol members and Drug Recognition Expert. The night shift has two certified Unmanned Aerial Vehicle Pilots for drone operations who completed training in 2024.

Members of the night shift serve as Unified Tactics Instructors and regularly train officers on all shifts in the areas of firearms, defense and arrest tactics, Taser, OWI standardized field sobriety testing and emergency vehicle operations.

**PATROL SUPPORT DIVISION**

The Patrol Support Division (PSD) exists to support the Patrol Division. The PSD is comprised of four sections – The K-9 Section, the Investigations Section, the School Resources Section and the Community Service Officers. The PSD is directly supervised by the captain.

**K-9 SECTION**

2024 was the third, full year of our newer K-9 Unit being active. The unit started in mid-November of 2021. Officer Pynenberg works with K-9 Rax in supporting our patrol division.

K9 Rax is a five-year-old Sable German Shepherd who is certified in narcotics detection as well as tracking and apprehension. Officer Sam Pynenberg is K9 Rax’s handler and they are assigned to the FVMPD afternoon shift.

When not at work, K9 Rax lives with Officer Pynenberg.

The FVMPD K9 Program is financially supported by the Metro Police K9 Foundation, a volunteer run, non-profit organization made up of local residents.

## PATROL — DRONE TEAM

The 2024 Fox Valley Metro Police Department Drone Team consisted of three patrol officers and two patrol lieutenants. Members of the drone team completed extensive Unmanned Aerial Vehicle (UAV) training and obtained their Part 107 Pilot classification status through the FAA.

The 2024 Fox Valley Drone Team consisted of:

- Lieutenant Mark Wery
- Lieutenant Ed Slinde
- Officer Hunter Maulick
- Officer Tyler Marquardt
- Officer Logan Hietpas

## *Partnerships in Policing*

In 2024 the Drone Team Officers flew missions for the following types of incident response:

- Search and Rescue Response with enhanced thermal capability for missing persons, accident scenes and other emergencies
- Fleeing subject identification, location, and tracking
- Monitoring crowds and safety at public events such as festivals
- Search warrant overwatch
- Assisting Fire Departments with thermal capability for hot spots and overwatch during structure fires
- Incident photography for crime scenes and major crash scenes

On November 1, 2024, members of the FVMPD Drone Team obtained FAA clearance and assisted the United States Secret Service by flying surveillance overwatch for the Vice President Kamala Harris rally event in the Village of Little Chute.

## INVESTIGATIONS SECTION

The Investigations Section assists patrol by investigating some of the more complex crimes and incidents. An investigator may respond to an incident to assist patrol with some of the following duties:

- Crime scene management
- Crime scene processing
- Evidence collection
- Scene documentation and photography
- Victim, witness and suspect interviews
- Forensic analysis
- Search warrant preparation and execution
- Subpoena requests

There were numerous large cases that the Investigations Unit assisted in or investigated in 2024. These included numerous child abuse investigations, residential and business burglaries, sexual assaults, physical assaults, major thefts, and several death investigations including suicide and other death scenes where the deaths were not by natural causes. We saw a significant uptick in vehicle thefts, firearm thefts, and frauds.

The Investigations Section participates in the Wisconsin Department of Justice ICAC (Internet Crimes Against Children) Program to reduce online child/sexual predators.

Officer Stahmann and Officer Radka led the Investigations Unit in multiple Internet Crimes Against Children cases. They spent time creating and monitoring online accounts posing as children. They made several arrests of adults trying to meet up with kids. They also followed up on numerous tips submitted to ICAC involving juvenile sexual exploitation. The Fox Valley Metro Police Department holds the safety of our citizens paramount, especially children. By conducting these types of investigations, we hope to make the world a safer place for our kids.

The Investigations Section can also examine and download digital information from various electronic devices. The Investigation Unit continues to expand their knowledge in the use of Cellebrite, which is a program for forensically analyzing digital evidence, such as cellphones and computers. In today's world, we are conducting cellphone analysis on many different types of cases, and this information is very useful for prosecution.

Investigator Van Schyndel and Investigator Uebelher are also the property room custodians and spend a significant amount of time cataloging, testing, packaging, and storing evidence. They are also in charge of sending evidence in need of analysis to the crime lab. This is a time intensive task that is critical to our ability to successfully prosecute criminal cases.

Scan to go to the ICAC website

## SCHOOL RESOURCES SECTION

The School Resources Section (SRS) is comprised of the Police School Liaison Officers (PSL's). The PSL's work within the schools to establish positive relationships with school staff and students. The PSL's investigate crimes that may have occurred within the schools or involve students or staff members. They also work with patrol on any offenses that involve juveniles.

Metro currently has three officers assigned as PSL's. One is assigned to work with the Little Chute School District, and two are assigned to work with the Kimberly School District. The number of PSL's and their assignments are determined by a formal agreement that Metro has with each school district. In addition to the work they perform in the public schools, these officers also work with the parochial schools on an as-needed basis

A PSL is normally assigned to a school for a three to five-year period and then rotates back into the patrol division.

The PSL's are more than just a police officer in a school. They participate in many curricular activities and form lasting bonds with students that often carry into their adult lives.

Some of the job responsibilities of the Fox Valley Metro Police Department PSL officers include:

- Promote prevention through education and communication
- Classroom presentations (bicycle safety, Halloween Safety, Bullying/Harassment etc.)
- Constitutional Law Education
- Drugs and alcohol enforcement
- Educating students on law enforcement’s role in the community
- Sensitive juvenile crime investigations (sexual and physical abuse)

The primary goal of the Fox Valley Metro Police Department PSL program is to foster positive relationships with the students and their families. By forming these relationships, the PSL officer builds trust and credibility, which allows them to work closely with students and their families to help solve issues and concerns. This helps students see the PSL officer as more approachable and someone who looks out for their well-being. The hope is that due to this relationship, students will feel more comfortable coming to the PSL officer and reporting illegal activity and things that make them feel unsafe. This makes the school environment safer for all.

PSL’s also make safety a priority in their school buildings. This includes everything from traffic concerns outside the school to threats against safety. In 2024, the PSL’s focused on safety planning and threat assessment. They worked with their respective school districts to formulate, implement, and practice safety and evacuation plans for each individual building. The PSL’s also assisted in reviewing the school reunification plans.

PSL’s Nett (Little Chute Schools), Stahmann & Lefeber (Kimberly Schools).

## COMMUNITY SERVICE OFFICERS

The Fox Valley Metro Police Department utilizes non-sworn civilian staff through our Community Service Officer (CSO) Program. CSO's assist patrol officers and administrative staff with calls for service that do not require a sworn law enforcement officer. Generally, this position is filled with current students studying criminal justice and who are pursuing a career in law enforcement. As a part of their responsibilities, some of the calls for service that CSO's are assigned include:

- Animal complaints
- Assisting the Village of Little Chute and Village of Kimberly with property code enforcement
- Low value property complaints
- Parking lot crashes
- Found Property
- Vacation Home Checks
- Motorist assist and roadway hazards.
- Parking enforcement
- Village events

Additionally, the FVMPD CSO staff will assist patrol officers with investigations and active scenes by:

- Crash scene traffic direction and clean up
- Traffic control for special events and fire department assists
- Transporting property for sworn staff
- Legal process to municipal and county courts

The FVMPD CSO staff will also assist the FVMPD administration by:

- Filling in as substitute crossing guards
- Assisting handling phone calls into the FVMPD
- Assisting maintaining the FVMPD patrol fleet by bringing cars to and from service

In 2024, FVMPD CSO's were involved in over 1,300 calls for service. Additionally, FVMPD CSO's assisted officers several hundred times on crash investigations and other scenes.

CSO Head

CSO Oakley

CSO Vallafskey

## TRAINING AND DEVELOPMENT DIVISION

The Training and Development Division (TDD) is responsible for providing formal training and professional development curriculum to all Metro staff members. The TDD is comprised of a variety of staff members who have various instructor and teaching qualifications.

By state law, all sworn law enforcement officers must undergo a minimum number of training hours per year to maintain their Wisconsin law enforcement certification. Metro goes above and beyond this minimum requirement to ensure that our staff is well prepared to meet current challenges in our profession. Some of the training we undergo is mandatory and others is selected based on current social trends, departmental needs and individual needs. Some of the basic training topics include:

- Firearms proficiency and yearly qualification
- Emergency vehicle operations
- Defense and arrest tactics
- First aid, CPR and AED
- Legal updates

Other topics can include:

- Professional communications
- Crisis intervention training
- Employee wellness

Investigators, PSL's and other officers also attend specialized training in their area of focus.

Metro is fortunate to have several in-house instructors who train our staff. These instructors are required to maintain their instructor certification by attending instructor development courses and teach a certain amount of training each year. This saves the department costs by

## *Partnerships in Policing*

not having to pay for a considerable amount of training that would be hosted by other organizations.

Some training is hosted by outside organizations/instructors when the topic is of a highly specialized nature or is something that our instructors are not certified in.

All officers' training hours and curriculum is tracked by the Wisconsin Department of Justice - Training & Standards Bureau via the Acadis software program.

## HONOR GUARD UNIT

The Fox Valley Metro Police Department Honor Guard represents the Department upon request and at law enforcement funerals and special events within the community. These highly dedicated officers conduct themselves according to department mission and guiding principles (Compassion, Integrity, and Professionalism), striving, always, to bring honor to the department and the unit.

## ACTIVITY – CALLS FOR SERVICE

In 2024, the department responded to or was involved in 14,035 calls for service or incidents. This is slightly lower than 2023 in which the department responded to 14,104 incidents and/or calls for service. This is a decrease of about -0.48%.

The decrease is mainly attributed to patrol staffing shortages and a reduction in traffic enforcement initiatives and traffic stops for observed violations.

Below are some activity tables that show the volume of calls in each village we serve. These tables also show a multi-year comparison. **NOTE: Calls with an alpha response code (i.e., A-Adam) indicate the response priority. The response priority is lowest to highest with A being low and D being high priority.**

<b>Non-Traffic Citations Issued</b>	<b>266</b>
<b>Parking Citations Issued</b>	<b>429</b>

## USE OF FORCE

Wisconsin law (State statute 175.44) regulates when a law enforcement officer can use physical force in the performance of their official duties...

### 175.44 Law enforcement use of force.

(1) *DEFINITIONS. In this section:*

(a) “Law enforcement agency” has the meaning given in s. 165.83 (1) (b).

(b) “Law enforcement officer” has the meaning given in s. 165.85 (2) (c).

(2) *USE OF FORCE.*

(a) *The sanctity of human life. In serving the community, law enforcement officers shall make every effort to preserve and protect human life and the safety of all persons. Law enforcement officers shall also respect and uphold the dignity of all persons at all times in a nondiscriminatory manner.*

(b) *Use of force. When using force, a law enforcement officer is required to act in good faith to achieve a legitimate law enforcement objective. A law enforcement officer is authorized to use force that is objectively reasonable based on the totality of the circumstances, including:*

1. *The severity of the alleged crime at issue.*

2. *Whether the suspect poses an imminent threat to the safety of law enforcement officers or others.*

3. *Whether the suspect is actively resisting or attempting to evade arrest by flight.*

(c) *Deadly force. A law enforcement officer may use deadly force only as a last resort when the law enforcement officer reasonably believes that all other options have been exhausted or would be ineffective. A law enforcement officer may use deadly force only to stop behavior that has caused or imminently threatens to cause death or great bodily harm to the law enforcement officer or another person. If both practicable and feasible, a law enforcement officer shall give a verbal warning before using deadly force.*

## Intervention Options

Mode	Purpose
Presence	To present a visible display of authority
Dialog	To verbally persuade
Control Alternatives	To overcome passive resistance, active resistance, or their threats
Protective Alternatives	To overcome continued resistance, assaultive behavior, or their threats
Deadly Force	To stop the threat

### 2024 FVMPD Use of Force Incidents

Date	Suspect Information		Type of Force Used					Incident / Call Nature

11/4/2024		none				Displayed		Assist OUSO/Warrant
12/26/2024	M/W	none	Decentralization					Suspicious person/attempt auto Theft

Our department trains for and uses force that is compliant with the law and that is reasonable under the particular circumstances. We use tactics and equipment that attempt to pose minimal harm and danger to all involved.

The Wrap body restraint device is a device that is used to safely restrain combative/resistive persons. The device is applied by several officers while physically restraining the person. The Wrap device not only helps to protect officers from potentially serious injury, it helps to reduce injury to the suspect during arrest and transport.

Safe Restraints, INC.

PROFESSIONAL PARTNERSHIPS – VOLUNTEERS AT WORK

The Fox Valley Metro Police Department works collaboratively with other community-based agencies to serve our communities more effectively.

Metro Police K-9 Foundation

Since 2020, the Metro Police K-9 Foundation has provided funding and support for the Fox Valley Metro Police Department's K-9 program through fundraisers, sponsorships, and outreach programs.

*Vision*

A fully developed and funded nonprofit foundation 501(c)(3) enabling community partnerships in K-9 policing within the Fox Valley Metro Police Department's Jurisdiction.

*Mission*

To develop and fund strong community partnerships in K-9 policing within the Fox Valley Metro Police Department's jurisdiction.

*Metro K-9 Foundation Website*

<https://www.fvmetrok9.org/>

### Fox Cities Victim Crisis Response Team

The Fox Cities Victim Crisis Response Team (VCR) is a volunteer-based organization that assists local police departments in providing emotional support and referrals to victims of crime or those in crisis. VCRs are called to scenes, incidents or meetings to support law enforcement in its mission of serving the public. The VCRs speak with victims or people in crisis in a confidential setting to better understand their needs. VCR's can also make referrals to other social agencies that may be better suited to serve the needs of these victims or people in crisis.

<https://victimcrisisresponse.org/>

## Outagamie County Law Enforcement Chaplaincy Program

FVMPD, along with 11 other law enforcement agencies in Outagamie County are member agencies of the Outagamie County Chaplaincy Program (OCCP). Lieutenant Ulman of the FVMPD is the president of the Chaplain program which, in the fall of 2021, became a 501c3, nonprofit charitable organization. The four (4) volunteer chaplains in our program are on call 24 hours a day, seven days a week. An officer can request the on-call Chaplain be dispatched to incidents where they feel a chaplain's presence could be beneficial. Additionally, the chaplains can provide support to employees and their families.

Police chaplains are a valuable resource because of their education, experience, training and their ability to understand the nature of the unique challenges faced in law enforcement.

Chaplains are prohibited from proselytizing or attempting to recruit members of participating agencies or the public into a religious affiliation while on-duty, unless the receiving person has solicited spiritual guidance.

Below are some of the valuable services and duties that the chaplains provide:

- ✧ Respond to an incident scene that may include, but not be limited to death notifications, major crash scenes, major fires, a suicide or an attempt of one, family problems, child and/or senior abuse or neglect, public demonstrations, or assistance to victims or families of victims.
- ✧ Visit seriously ill or injured members and/or family members of participating OCCP agencies.
- ✧ Attend and participate in, when requested, funerals of active or retired members of participating OCCP agencies.
- ✧ Provide confidential counseling and spiritual guidance to members of participating OCCP agencies or victims, when requested.
- ✧ Attending various OCCP member departmental ceremonies.  
Participate in various OCCP member departmental training classes.

### *Partnerships in Policing*

- ✧ Participate frequently in ride-a-longs with members of participating OCCP agencies.
- ✧ Willingness to conduct training for members of participating OCCP agencies.
- ✧ Currently there are four Chaplains on the roster.

In 2023 the four Chaplains spent more than 270 hours responding to emergency callouts, performing death notification, doing ride-a-longs with officers and deputies, attending trainings at several departments, and other miscellaneous activities such as quarterly meeting, department award ceremonies and the like.

## Outagamie County CERT (Community Emergency Response Team)

The mission of the CERT Rehab Team is to provide quality rehabilitation services along with a safe and secure resting area for all emergency response personnel throughout Outagamie County for extended emergency situations. The Rehab Service is defined as: "providing for the physical and personal needs of the individuals who respond to emergency situations. This includes providing food and fluid replenishment, rest for worn out emergency personnel, and emotional support."

The Rehab Service is structured to be a rapid or quick response service team for emergency situations considered to be long in duration - three hours or more - and can support multi-day events as well.

Rehab strives to provide the highest level of quality services possible to any fire, rescue, law enforcement, medical, and HAZMAT agency throughout Outagamie County. CERT-Rehab will attempt to do the following when requested:

- ❖ Relief from climatic conditions.
- ❖ Rest and recovery.
- ❖ Active and passive cooling
- ❖ Rehydration.
- ❖ Calorie and electrolyte replacement.
- ❖ Member accountability.

### Quad Communities Crime Stoppers

Quad Communities Crime Stoppers provides rewards for information regarding crimes committed in Combined Locks, Kaukauna, Kimberly, and Little Chute.

Quad Communities Crime Stoppers consists of representatives from the communities of Combined Locks, Kaukauna, Kimberly, and Little Chute. Quad Communities Crimes Stoppers is a non-profit organization, which focuses on creating a safer community for all.

Quad Communities Crime Stoppers works directly with the School Resource Officers (SRO's) in the Kaukauna, Kimberly, and Little Chute School Districts, to ensure a safe school and community environment.

**Call (920) 788-9090**

## Partnerships in Policing

### DEPARTMENT AWARDS / RECOGNITION

Several officers were recognized for exemplary service by the Outagamie County District Attorney's Office.

Officers were recognized as part of the *Best Badge for Teamwork* as the result of a 2023 life-saving water rescue incident in the Village of Little Chute. Our officers were assisted by the Little Chute Fire Department.

Receiving the award (left to right): Lt. Ed Slinde, Officer Hunter Maulick, Officer Cole Delvoye and Officer Jack Schinke. Also receiving the award but not present, Officer Aaron Radka.

Presenting the award was District Attorney Tempelis (far right) and Asst. Dist. Attorney Emily Kudek (far left)

## COMMUNITY OUTREACH

As part of our *Partnerships in Policing* philosophy we believe that being engaged with the public is vital to our success and the success of the community. Part of our mission success is based on

public approval of what we are doing and how we are doing it. Two-way communication is one way that we are engaged with the community. Media releases about significant events and concerning behaviors help promote awareness.

We also have a strong social media presence. Metro’s Facebook page is one of our main sources of communication with the public. We use social media to inform the public about incidents and trends and to promote events that we are hosting or participating in.

Metro also participates in several community events each year. Whether it is for public safety reasons (traffic control) or just participating because we are part of the community, Metro is happy to be involved.

**Special Events**

Each year Metro is requested or invited to participate in several community events. We are usually there for traffic control and crowd safety, but we also may have an informational booth present.

Typically, we are involved in the following community events...

- Memorial Day Parade
- Cheesefest
- Fourth of July Parade & fireworks
- Paperfest
- Holiday Parade
- Bike to the Beat
- Fox Cities Marathon
- Rock Cancer
- Walk for Autism
- Numerous school events

## Community Programs

FVMPD also hosts or participates in the following events:

- Coffee with a Cop
- Cop on a Rooftop
- Shop with a Cop

### **Community Service programs that we offer:**

- Child car seat installations and inspections
- Crime prevention presentations
- Business security surveys

POLICE • COMMUNITY PARTNERSHIPS

## IN CONCLUSION...

We hope this report has provided you with some valuable information and insight as to who we are and what we do from a public safety and community collaboration standpoint.

We look forward to growing and improving - both as individuals and as an organization. By partnering with our communities and the people we serve, we are confident we can help to improve the overall quality of life in the Villages of Little Chute and Kimberly.
