Action – Award Bid – Heritage Park Project

T. Flick reviewed the four bids submitted for the project and stated the recommendation is to award the bid to the low bidder Vande Hey Company, Inc. and the bid is at a good price for the Village. T. Flick stated that they are working off \$80,000 for the park construction so that \$10,000 can be kept for maintenance and utility costs. T. Flick stated that other costs for the project will be KU bringing in electrical to the site, site amenities that include benches, garbage cans, and a bubbler and the historical kiosk. Trustee Frassetto asked about the cost for the design plans and T. Flick confirmed that if Vande Hey would have not been the low bidder than the Village would have had to pay them \$3,900 for their services. Trustee Van Lankvelt asked if some of the items could be added later if costs had to be cut. T. Flick stated that the educational kiosk is part of the criteria of the donor but the bubbler, picnic tables, and irrigation could be held off on.

Moved by Trustee Frassetto, seconded by Trustee Smith to Award the contract for the Heritage Park Development to Van Hey Company, Inc. of Appleton, WI for \$69,750.

Items for Future Agenda

Trustee Van Lankvelt stated he has talked to the Water Commission and on a future agenda he would like to discuss creating a Utilities Commission that would oversee the water, storm water and sewer utilities because with MCO running the water utility, the Water Commission does not have as much work as they used to have. Trustee Van Lankvelt stated he would like to discuss this with the Water Commission first and he has talked to the Chair of the Water Commission Kevin Coffey and he thinks it is a good idea. President Vanden Berg stated that once the discussion is held with the Water Commission it can be put on a Board agenda for discussion. R. Van Gheem questioned if it shouldn't come before the Board first as the Water Commission has no authority over the other utilities. President Vanden Berg agreed that was probably correct and Trustee Van Lankvelt stated he thought he would talk with the Commission first as a courtesy. President Vanden Berg stated he didn't have a problem with Trustee Van Lankvelt discussing this proposal with the Water Commission.
